

MODERN FOREIGN LANGUAGES

KEY PERFORMANCE INDICATORS

GRADE 9

- AO1-4: Manipulate language fluently in all four skills
- Use idiomatic expressions and complex structures
- Write and speak extended, coherent, nuanced arguments and narratives
- Show full control of tenses and grammatical accuracy
- Can understand and respond to authentic, unfamiliar texts and listening
- Adapt language confidently for different purposes and audiences

GRADE 6

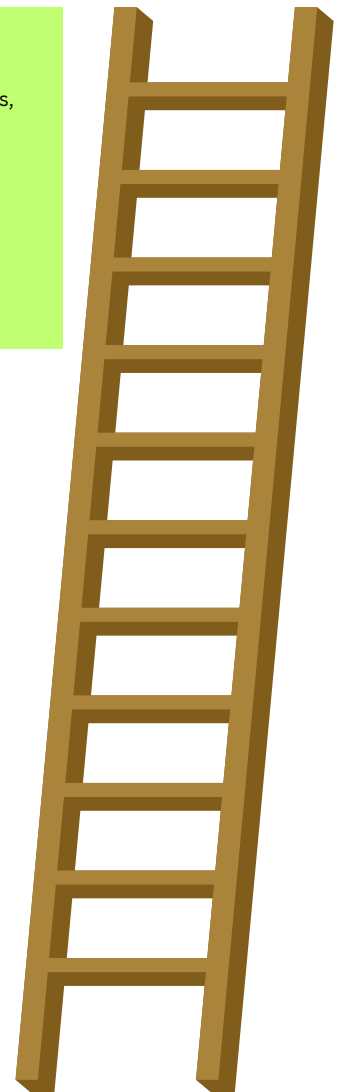

- AO2: Respond spontaneously in speaking; answer questions fully without relying on memorised phrases
- AO4: Write extended paragraphs accurately; include opinions, justifications, and sequencing
- Use varied vocabulary and tenses (past, present, future, conditional, perfect tenses)
- Use connectives to add cohesion (aunque, sin embargo, mientras que)
- Begin to manipulate language to adapt to different contexts
- ▲ Move up by: practising complex sentence structures and embedding opinions, comparisons, and idioms

GRADE 4

- AO1/3: Understand main ideas in short passages and spoken texts
- AO2/4: Use present, past, and future tenses correctly
- Can give opinions with reasons: "Me gusta... porque..."
- Use a wider vocabulary (school, hobbies, holidays, food, free time)
- Begin to use connectives to join ideas (y, pero, también)
- Can understand and respond to short questions in speaking and writing
- ▲ Move up by: adding more detail, variety, and complexity to sentences, and using some adjectives and adverbs

GRADE 3

- AO1/3: Understand familiar words and short phrases in listening and reading
- AO2/4: Produce short, simple sentences; can introduce yourself, describe family or daily routine
- Use basic vocabulary (numbers, days, common verbs, greetings)
- Understand simple instructions and classroom language
- Begin to use present tense verbs
- ▲ Move up by: improving accuracy, spelling, and using correct gender and verb endings

🔑 NON-NEGOTIABLES FOR EVERY GRADE
